DETAILED ACTION

Allowable Subject Matter

Claims 1-30 are allowed over prior art.

The following is an examiner's statement of reasons for allowance:

None of the prior art teaches or suggests a method for generating a plurality of clinically useful images within a single imaging system comprising displaying a target image and an enhanced scout image, which is generated by processing a scout image as claimed in independent claims 1 and 19.

None of the prior art teaches or suggests a computed tomography system for generating a plurality of clinically useful images comprising a processor generating an enhanced scout image from a scout image and a display displaying a target image and the enhanced scout image as claimed in independent claims 10, 24 and 29.

None of the prior art teaches or suggests a computer readable medium in an image system comprising a stored program configured to generate an enhanced scout image from a scout image and display a target image and the enhanced scout image wherein the images are clinically useful for diagnostic purposes provided by a single imaging system as claimed in independent claim 30.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
